

Health iDays Austria 2023

Co-funded by the European Union

STUDENTS

Learn with 100+ students from all over Austria.

MENTORS & JURY

Your opportunity to connect with professional mentors with exceptional healthcare and business backgrounds, as well as exceptional jury members, from the most renowned institutions in Austria.

CHALLENGE 2023

“To substantially save lives and reduce the number of illnesses from hazardous chemicals and air, water and soil pollution and contamination”, by 2030, through your Green HighTech idea.

DATE & ORGANISATION – led and powered by WILD Group (EIT Health Partner)

06.11.2023 – 08.11.2023

Fun 3-day event, virtual and, if you like, at the EIT Health Austria Office, in Vienna.

WIN up to 1.000 € per team. The Austrian winning EIT Health iDays team will also be invited (with travel expenses paid) to this year's Winners Event, in Barcelona, where they meet peers from all participating iDays locations from all over Europe.

REGISTER TODAY!

Register at <https://fluxlearning.typeform.com/to/VopHSulv> and feel free to contact Daniel Pressl from WILD Group via daniel.pressl@wild.at or this QR code:
